## 2.5 Amounts due and owing by Related Parties

As at the end of the financial year ended 31 December 2023, none of the sums due and owing by Related Parties, have exceeded the credit terms.

## 2.6 Review Procedures and Guidelines of the RRPTs

The Group has established the various review procedures and guidelines to ensure that the RRPTs contemplated under the Proposed Renewal of Shareholders' Mandate is undertaken on terms not more favourable to the Related Party than those generally available to the public and are not to the detriment of the minority shareholders and that they are conducted at arm's length and on normal commercial terms consistent with the Group's usual business practices and policies and will not be prejudicial to shareholders.

The review and disclosure policies have been implemented and will continue to be in force for the period under which the Proposed Renewal of Shareholders' Mandate is sought for: -

- (a) The transactions with a Related Party will only be entered into after taking into account the pricing, quality, delivery schedules, level of service and other related factors. The pricing for products to be supplied and/or purchased is determined in accordance to the Group business practices and policies, consistent with the usual margin of the Group with unrelated third parties. At least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated parties for the same or substantially similar type of products/services and/or quantities. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained (for instance, if there are no unrelated third party vendors/customers of similar products or services, or if the product/service is a proprietary item), the Group will ensure that the RRPTs with Related Party will only be entered into after taking into account the pricing, level of services, quality of products and other related factors;
- (b) The Group shall maintain records to capture all RRPTs, to ensure the relevant approvals have been obtained, for review by the Audit & Risk Management Committee;
- (c) The Audit & Risk Management Committee will review all RRPTs from time to time. Any member of the Audit & Risk Management Committee may, as he deems fit, request for additional information pertaining to the transaction from independent sources or advisers;
- (d) The Audit & Risk Management Committee will carry out an annual review to ascertain that the established guidelines and procedures for RRPTs have been complied with and will consider from time to time whether the established guidelines and procedures for RRPTs have become inappropriate, and/or are unable to ensure that the transactions will be on normal commercial terms, and/or will prejudice the interests of shareholders generally; and
- (e) The interested Directors who are members of the Board and Audit & Risk Management Committee will abstain from deliberating and voting on all matters pertaining to the RRPTs at the relevant meetings of the Board or Audit & Risk Management Committee.

## **2.7 Threshold of Authority**

The threshold for the approval of RRPTs within the Group is set at RM1.0 million and each RRPTs will be analysed, reviewed and approved by the management and or directors as determined by the Board and such transaction shall be highlighted to the Audit & Risk Management Committee on a quarterly basis. Where the RRPT is one with a value in excess of RM1.0 million per transaction, it will be reviewed and approved by the Board and the Audit & Risk Management Committee. Where any Director has an interest (direct or indirect) in the RRPTs, such Director shall abstain from deliberation and voting on the matter.

If it is determined that the guidelines and/or procedures stated in Section 2.6 above are inadequate to ensure that RRPTs will be conducted at arms' length and on normal commercial terms which are not more favourable to the Related Parties then those generally available to the public and/or such transactions are detrimental to the minority shareholders of the Company or prejudicial to the interests of the shareholders, the Company will obtain a fresh mandate from shareholders based on the new guidelines and procedures.

## **2.8 Statement by Audit & Risk Management Committee**

The Audit & Risk Management Committee (“ARMC”) of the Company has seen and reviewed the procedures for RRPTs as set out in the Section 2.6 above and is of the view that the said procedures and guidelines are sufficient to ensure that such RRPTs will be carried out on normal commercial terms which are not prejudicial to the interests of shareholders and on terms not more favourable to the Related Party than those generally available to the public and are not to the detriment of the minority shareholders of the Company.

The ARMC is also satisfied that SLP has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner. The ARMC shall quarterly review the RRPTs and also review the established guidelines and procedures annually to ascertain its compliance.

## **2.9 Rationale for, and Benefit to, the Proposed Renewal of Shareholders’ Mandate**

The RRPTs entered or to be entered into by the SLP Group are all in the ordinary course of business. The RRPTs are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders’ approval on a case-by-case basis before entering into such RRPTs.

By obtaining the Proposed Renewal of Shareholders’ Mandate and the renewal of the same on an annual basis, the necessity to convene separate general meetings from time to time to seek shareholders’ approval as and when RRPTs occur would not arise. This would substantially reduce administrative time, inconvenience and expenses associated with the convening of such meetings, without compromising the corporate objectives of SLP Group or adversely affecting the business opportunities available to SLP Group.

Additionally, the Proposed Renewal of Shareholders’ Mandate would allow the transactions between the Related Parties and SLP Group for more efficient utilization of existing resources, prompt delivery and better bargaining power from reliable suppliers.

Hence, the Board of Directors of SLP is seeking the Proposed Renewal of Shareholders’ Mandate pursuant to Paragraph 10.09 of the Listing Requirements for the RRPTs made on an arm’s length basis and on normal commercial terms and which are not prejudicial to the interests of the minority shareholders.

## **2.10 Effects on the Proposed Renewal of Shareholders’ Mandate**

The Proposed Renewal of Shareholders’ Mandate will not have any effect on the issued and paid-up share capital and substantial shareholders structure of SLP, and is not expected to have any material effect on net assets per share and earnings per share of the Group.

## **3.0 APPROVAL REQUIRED**

The Proposed Renewal of Shareholders’ Mandate is conditional upon the approval from the shareholders of SLP being obtained at the forthcoming AGM.
